Dear Karen

The PCC has asked me to write to you to say how very much we enjoyed having the cubs with us for the workshop, sleepover and service at the end of last month. Their enthusiasm and interest were infectious; their contribution to the Sunday service was very special, and I don't think our bell has been rung so powerfully for many years! They really were great ambassadors for the Scout movement.

It was good to see so many parents present for the awarding of the Faith Badges, and to meet them over refreshments in the Church Centre.

If there are further activities we can support you with, please let us know.

Yours sincerely

Karen Campbell
